P R E F A C E

Sweet Briar exists in great measure in her students. We are privileged to live up to her high ideals and standards under an honor system which covers all phases of college life. Each girl in our community maintains a personal standard of honor, based on individual responsibility, which serves as a guide in her conduct of her academic and social life. It was towards this ideal of a high sense of personal honor that the students of 1906 petitioned for a Student Government. Since that time Sweet Briar has always stood on these basic fundamentals founded upon dignity, honor, respect, and the cultivation of all that which is fine—all that is embodied in the high principles upon which she was founded.

By wholeheartedly giving of ourselves to Sweet Briar, we will contribute much to the community, and find in turn, that Sweet Briar will give of herself to us in great abundance.

The STUDENTS' HANDBOOK tries to present to you all the rules and regulations which lie behind the ideals and standards of Sweet Briar.

**AGREEMENT CONCERNING THE
STUDENT GOVERNMENT OF
SWEET BRIAR COLLEGE**

The Student Petition (October 17, 1906)

The students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative and executive control in certain matters. We ask:

I. Right to control quiet and order in all places about the buildings and campus that are not under the immediate control of a member of the Faculty.

II. Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.

III. Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

**The Reply of the Faculty
(October 20, 1906)**

The Faculty of Sweet Briar College endorses most cordially the desire of the student body to assume responsibility for the conduct of individual students in non-academic matters. Therefore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition—said constitution to be submitted to the Faculty for endorsement.

THE HONOR SYSTEM

A high standard of honor prevails at Sweet Briar. Every student is expected to do her utmost to maintain this standard and at all times to consider herself an active and responsible member of the Association. Such a concept must be more than the mere expectation that each student exhibit high standards of honor; it should be a fundamental principle of action for each individual as she undertakes living in the Sweet Briar Community. Student Government at Sweet Briar is based upon individual and community responsibility.

In 1906 a group of students petitioned the administration for student government, stating as their reasons:

“The students of Sweet Briar, believing there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.”

The Honor System was then based, as it is now, upon certain fundamentals. These fundamentals are:

1. A student will tell the truth.
2. A student will respect the property of others.
3. A student will maintain absolute honesty in all her social life and in all her academic work: preparation, classroom work, tests, papers, lab notebooks, examinations, and every other kind of academic work.
4. Each student will maintain these ideals in her own conduct and will exert herself to the utmost to make these ideals prevail at Sweet Briar.

These fundamentals have served as the foundation for Student Government since 1906, and today Sweet Briar

is outstanding among men's and women's colleges for allowing students a large measure of autonomy in the judicial realm, and extensive responsibilities in the legislative. With voluntary chapel and individual responsibility for class attendance, it is obvious that the faculty and administration have given to us an unusual degree of self-government.

An honor system is a form of government which allows individual freedom on the basis of individual responsibility. It asks the question—Are you willing to assume responsibility in order to have this freedom? The faculty count upon an affirmative answer to this question, and in granting us student government they show their confidence in us.

The regulations at Sweet Briar can be divided into three parts:

1. Those which impose certain minimum standards without which no community can exist in harmony, such as those relating to lying, cheating, and stealing.
2. Those without which there would be an unfavorable opinion of Sweet Briar in neighboring towns, such as Lynchburg dress regulations, and rules concerning overnight absences.
3. Those relating to students' safety, for which parents hold the college largely responsible, such as signing out and in correctly, and not walking off main campus late at night.

In the first division the Honor System embodies an ethical standard which every student is expected to possess; in the other two divisions we are asked to accept regulations made for the reason given and to pledge upon our honor to uphold them.

THE HONOR SYSTEM APPLIES TO EVERY PHASE OF COLLEGE LIFE

If Student Government is to operate with strength and effectiveness, the very highest ideals and practices in regard to truth and honor must prevail throughout the Association. The most concrete expression of our obligation is the honor pledge:

I pledge upon my honor to assume individual responsibility for the honor system of Sweet Briar. This individual responsibility not only includes exerting myself to the utmost to make the highest ideal of honor prevail at Sweet Briar; but this responsibility also includes reporting myself for any of my infractions of the Sweet Briar regulations; and asking others to report themselves for any of their infractions if I am not certain that they have done so.

Thus, *each student pledges upon her honor* to take full responsibility for herself and for the creation of the "highest ideal of honor" at Sweet Briar. She shall decide in each individual case whether her word given under the honor pledge should lead her to report someone who refuses to report herself; she has pledged her honor to do her utmost to create the finest type of honor here.

A Sweet Briar girl's word is her bond, and it is expected that every student will justify the confidence of her fellow students at all times and under all circumstances. Students who do not acknowledge these fundamentals or who are unwilling to exert themselves to the utmost to make these ideals prevail, are out of place at Sweet Briar.

Any student who fails, at any time or under any circumstances, to live up to these ideals should report such infraction promptly to her house president or to a member of the judicial board.

SPHERES OF AUTHORITY

The concept of "spheres of authority" has been made the foundation of the Constitution of the Student Government Association because it was felt that control of community life falls naturally into three areas: that primarily of Student concern, that of joint Faculty-Student concern, and that primarily of Faculty concern. The drawing-up of the Constitution was a cooperative venture between the Students and the Faculty, and its adoption rested upon ratification by both groups. The Grant of Powers and the Constitution, Bylaws and Regulations reflect not only the tripartite concept but also the philosophy that responsibility breeds a sense of responsibility. The goal of this endeavor is heightened cooperation between Students and Faculty in the interest of the College and its component parts.

In the Student Sphere, the organs of government are

The Legislative Body, made up of the
Association as a whole

The Executive Council

The Inter-Club Council

The Standing Committees

The Judicial Board

The Inter-Dormitory Council

The authority entrusted to the joint Faculty-Student Sphere is exercised by the College Council, possessing both legislative and judicial jurisdiction.

In the Faculty Sphere, the Faculty shares with the Board of Overseers and with the administrative officers of the College the final responsibility for the academic and social welfare of the College. It provides the instruction given; through its Executive Committee and other standing committees, determines the content of the curriculum; and carries on the academic business of the College.

days' notice shall be given before such action shall become effective.

Preamble

Deficiency in academic work shall be defined as failure to maintain a credit ratio of 1, as defined by the Dean's staff. Health qualifications shall be determined by the College Physician.

A student who is not in good standing with the Association may not hold office in the Association. Not being in good standing with the Student Government Association shall be defined as being under any penalty imposed by the regular authorities of the Association.

This does not include penalties for minor offenses.

Section 2. To be eligible for the office of President of the Association, Judiciary Chairman of Student Government, or Chairman of the Inter-Dormitory Council, a student must have a credit ratio of 1.0 for the pre-

III—Student Activities Fund

Financial Management of Student Organizations

Section 1. To cover annual dues of the various student organizations of the college, and to support various other student enterprises, a Student Activities Fund has been created. - b) Period of confinement to campus.

c) Pledge Probation. The penalty of pledge probation involves the loss of all social privileges—housebook, date-slip, yellow slip and pink slip. Pledge probation may be given for varying lengths of time, but in any case its purpose is to bring a girl who has broken her pledge to the realization of the responsibility which she must assume when she signs the pledge. If a student does not live up to her responsibility as defined in the pledge, she is not justly entitled to the privileges granted to Sweet Briar Students through the Honor System. At the end of her pledge probation, a student is given an opportunity to re-sign her pledge.

d) Acceptance of parole. To accept parole a student must pledge before the Judicial Board that henceforth she will be especially scrupulous in all matters of honor and in keeping all regulations, with the understanding that any future infringement will be more serious for her than for other students. The acceptance of parole shall be entered in the Chairman's book and the Secretary's book. GRAMMER AND REID

REGULATIONS

It is believed that each of the following regulations has a reasonable basis. If you cannot find any reason underlying a regulation, you should go to a member of the Executive Committee or of the Judicial Board with your questions and criticisms. If, after inquiring about a regulation, you remain convinced that the regulation has no basis, the Honor System still asks you to uphold the rule, in return for the confidence placed in you. We are privileged to have an honor system instead of a policing system, and by your own acknowledgment, what you receive as a result of this system is far greater than the annoyance caused by keeping any regulation with which you disagree.

There are some rules which as time passes become unnecessary, and that is the reason the rules are annually revised. Any member of the community may request College Council's consideration of a revision. The request may be made directly or through a member of College Council.

Quality points and the credit ratio are computed as follows: each semester hour graded A counts 3 quality points; B, 2; C+, 1.5; C, 1. The credit ratio is the ratio of the total number of quality points to the total number of hours taken. These hours include courses which are reported incomplete, conditioned and failed. Hours of physical education are not included in computing the credit ratio. A credit ratio of 1 is equivalent to a C average.

4. Credit accepted on transfer or for summer school work does not affect the credit ratio at Sweet Briar.

5. A student transferring from another college or offering summer school work for credit is required to make for graduation a credit ratio of 1 upon the work pursued at Sweet Briar.

6. Every student is required to have for graduation a major rating of at least 1. The major rating is defined as the credit ratio for all courses taken in the major subjects (not allied courses) exclusive of courses not allowed to count for the major.

The major rating in an interdepartmental major is defined as a credit ratio of at least 1 on the thirty-six hours presented by the individual student to fulfill the

major requirement, exclusive of courses which may be also allowed to count for other degree requirements.

A student reading for honors must also have a major rating of at least 1 in order to graduate.

If a comprehensive examination is required in the major, this examination must be passed in order to receive a degree. There are three possible ratings—pass, fail and distinction, and these are not computed in the major rating. All grades for comprehensive examinations shall be sent to the Recorder's office, which shall notify the student whether she has passed or failed the examination.

7. A student shall be reported by the Dean to the Executive Committee at the end of the first semester of her senior year if her graduation seems doubtful.

8. For senior standing a student must have passed 88 semester hours of work, with 88 quality points and a cumulative credit ratio of 1, and must have met the requirements in Health Education, Physical Education, Speech, and a reading knowledge of a foreign language.

9. For junior standing the requirements are: in the first semester 52 semester hours and 52 quality points; in the second semester 70 semester hours and 70 quality points. No student who has an entrance condition may have junior class standing until such condition is removed.

10. For sophomore standing the requirements are: in the first semester 26 semester hours and 26 quality points; in the second semester 39 semester hours and 39 quality points.

11. A student who is notably weak in her work will be put on probation, and if her work does not improve may be requested to withdraw from college. Every

student on probation will be notified by the Dean, and reported to the faculty.

12. (a) A freshman whose work is wholly unsatisfactory in the first semester, or who has not achieved satisfactory work by the end of the year, will be dropped from college.

(b) In all other cases any student who has not achieved satisfactory work after two consecutive semesters of probation, or after any three semesters of probation, will be dropped from college.

13. (a) A student who after eight semesters of work fails to meet the credit ratio or the major rating required for graduation, or who in the final year of this time has failed a course, may be permitted to return to college for one semester in the year following. She is expected to carry a normal schedule of work and must have a credit ratio of 1 for her entire course, and a major rating of 1 in order to obtain her degree.

(b) If a student fails the comprehensive examination in her major, she is eligible for only one re-examination, which may not be taken until the following September. She must pass the comprehensive examination within the academic year after first taking it, in order to obtain her degree.

(c) If a student fails to pass the requirement of a reading knowledge of a foreign language by the time all other requirements for the degree are completed, she must do so within one year thereafter in order to obtain her degree.

15. The student is herself responsible for fulfilling the requirements for graduation.

III—Advanced Standing and Summer Work

1. Application for advanced credit at Sweet Briar, on the basis of work pursued elsewhere, must be made to

the Dean, as chairman of the Committee on Advanced Standing, and on the recommendation of the Committee, may be granted by the faculty.

2. Students wishing credit at Sweet Briar for summer school work should receive in advance the permission of the Dean and the written approval of the head of the department concerned. Only in exceptional cases will credit be otherwise granted.

3. The Dean is authorized to reject work of a grade below C, whether taken in summer school or offered for advanced standing from another institution, unless in her judgment the case is exceptional.

IV—Examinations and Grades

1. All tests and examinations are given under the honor system. The student's signature to any written work is regarded as a guarantee of honest work.

2. General examinations are held twice a year. One or two days before each examination period are reserved for independent study and review. No assignments may be made for those days or for the free days within the examination period, with the following exceptions: (a) a student may make up work with faculty assistance at the student's request; (b) the ruling does not apply to examinations under the Honors Plan of Study.

3. Any change in the scheduled hour of an examination must be made through the office of the Recorder.

4. Examinations must be terminated promptly at the end of the designated time.

5. An examination is given in each course at the end of each semester, unless the department concerned decides upon some other means of testing. Substitution of a special piece of work for a final examination must be reported to the Dean and the Recorder before the posting

of the examination schedule. A copy of each course examination both mid-year and final, shall be filed in the Recorder's office for the information of the faculty.

6. (a) In courses which are indicated in the catalogue by semester numbers which are connected with a hyphen, grades are recorded in the Recorder's Office both at mid-year and at the close of the year, but the latter represents the permanent grade for the course, unless a grade of F was given at mid-year. In that case the work of the first semester must be repeated, and only then is a permanent grade recorded for the course. If a student receives a grade of F at the end of the year, after having passed the work of the first semester, in reporting the grade the instructor should indicate whether both semesters or only the second semester must be repeated.

(b) In courses which have the semester numbers separated by a comma, the grade shall be recorded by semesters or for the year in accordance with the desire of the department concerned. If the grade is to be recorded for the year, the conditions of section (a) are to be observed.

7. In courses extending throughout the year which are numbered above 100, the final examination may, at the option of the instructor, be a three-hour examination, in order to include questions bearing upon the work of the first semester in its relation to the work of the second semester.

12. If a student is prevented by illness from taking a course examination at the time scheduled, she must secure a physician's certificate and present it to the Dean and to the instructor concerned. The instructor shall set the time for a special examination. If a student is absent from a course examination for other reasons

she must forfeit the credit for the course unless she presents for such absence a reason satisfactory to the instructor and the Dean.

14. Grades are to be assigned with the following meaning: *A* indicates excellent work; *B*, very good; *C+*, good; *C*, fair; *D*, poor but passing; *F*, a failure which can be made up only by repeating the course in class. Grades above *D* are called credit grades.

“Condition” indicates that the student has not done passing work nor work so poor as to merit immediate failure.

“Incomplete” indicates that a substantial piece of required work in a course has not been completed.

15. (a) “Failure” shall be removed within a year from the time incurred. Whenever a student fails to meet this requirement her case will be referred by the Dean to the Executive Committee.

(b) “Condition” incurred at the end of the first semester shall be removed before the Spring Vacation—unless a later date is designated by the instructor with the approval of the Dean and reported to the Recorder.

“Condition” incurred at the end of the second semester shall be removed within two weeks of the beginning of the following semester—unless a later date is designated by the instructor with the approval of the Dean and reported to the Recorder.

(c) “Incomplete” shall be removed within two weeks of the beginning of the following semester—unless a later date is designated by the instructor with the approval of the Dean and reported to the Recorder.

16. A failure (*F*) in an academic course may be made up only by repeating the course in class. This may be

done at Sweet Briar, or at another institution, subject to the approval of the Dean and the head of the department concerned. A failure in a course in physical education must be made up by repeating the course at Sweet Briar, unless the Department of Physical Education prescribes some other method. A student must complete a course which she has failed to pass unless permission to make a substitution is granted by the Executive Committee. When a student has twice failed a given course, the question as to whether she shall repeat the course shall be presented to the Executive Committee for consideration and decision.

17. "Condition" may be removed (a) by passing a re-examination, or (b) by completing such work as will reveal the student's knowledge of the course, or (c) by repeating the course, if the student elects to do so. If the condition is to be removed by method (a) or (b) the Dean, in consultation with the instructor, shall determine:

(1) the method by which the conditioned grade shall be removed

(2) the date of the re-examination if method (a) is advised, or

(3) the work required if method (b) is required and shall advise the student of the requirement.

When the student meets the requirement, the definitive grade shall be recorded. When the student fails to meet the requirement within the specified time, the grade of *F* shall be recorded.

When a student receives a "condition" on the first semester's work of a course which continues throughout the year, the department concerned determines whether the student shall have an opportunity to remove the "condition" within the specified period, or whether the

student's grade at the end of the second semester shall be the final grade for the year-course, without special re-examination or completion of additional work on the work of the first semester.

A student who is ineligible to return to Sweet Briar and who has a "condition" shall be given an opportunity to remove the "condition" only by examination. She shall take the examination at the time indicated by the Faculty Rulings and her instructor, and shall take it here at this college.

"Incomplete" may be removed by completing the incomplete work of the course. When the student meets this requirement, the definitive grade shall be recorded. When the student fails to meet this requirement within the specified time, the grade of *F* shall be recorded.

18. A student who receives notice of *failure, condition, or incomplete* should communicate promptly with the instructor concerned. In the case of a condition, if the student chooses to remove it by repeating the course, she should at that time notify the instructor of her decision.

19. A student whose work is of passing grade when she withdraws from a course before the end of the semester will not be required to repeat the course. If her work is not of passing grade, or if the instructor has no adequate basis for judgment as to whether the student was passing or failing at the time of her withdrawal from the course, decision as to whether she will be required to repeat the course is left to the Dean, the adviser, and the instructor.

21. Students who pass the examination to absolve the degree requirement for a reading knowledge of a foreign language shall be reported to the Recorder. If a student fails a foreign language reading examination, before

being permitted to repeat the examination she must satisfy the head of the department that she has done sufficient additional work to justify taking it again.

22. All examinations on summer reading must be given within two weeks of the opening of college in September.

V—Absences from Academic Appointments

2. If an instructor fails to meet his class without previous notice, the students shall remain in the classroom for ten minutes after the second bell has rung.

3. (a) A student is expected to attend her classes regularly and to keep her other academic appointments. Responsibility for attendance rests with the student.

(b) By the fifteenth of each month of the college year, a report shall be made to the Dean's Office of all students who in the judgment of the instructor have been absent from class to the detriment of their work.

4. If at any time a student's work is unsatisfactory, the instructor may notify her faculty adviser.

5. All work missed shall be made up promptly, and in advance of the absence if it can be anticipated. Students must take full responsibility for requesting instructors for assistance in making up work. The instructor may refuse to grant such assistance, if he sees fit. Students may, with the permission of the instructor, change from section to section in order to make up work. They may not do so in order to remove records of absence, nor to leave college early before a vacation or recess, nor to return late therefrom.

6. Students are expected to remain at college to keep all academic appointments which fall before the official time set for the beginning of a vacation or recess. They are expected to return to campus in time to keep all

academic appointments which fall on the day after a vacation or recess. *A student may not schedule an arrival by train, bus, car, or plane between the hours of 10:30 p. m. and 6:00 a. m.*

All excuses for absence from college after a vacation or recess must be presented to the Dean by letter or telegram before the hour set for return to college. Only illness of the student or some serious family condition will be regarded as an acceptable excuse. In case of illness, the student must present a physician's certificate on her return. In the second case she must present a letter of full explanation from her parent or guardian. Any student whose absence is unexcused will be permitted no over-night absences from college for a period of six weeks.

7. A student who is absent more than four weeks may re-enter classes only with the permission of the Dean, and only in exceptional cases will be permitted to carry a full schedule of courses.

VII—Honor System*

1. At the beginning of each course, the instructor shall make to the class a careful statement of the bearing of the honor system on the work of that course.

2. If an instructor observes a possible breach of the honor system, he should promptly confer with the student involved. Unless convinced that no such breach has occurred, the instructor should urge the student to report the affair to the Judiciary Chairman of the Student Government Association. If the student neglects to do so promptly, the instructor should so report the case himself. When consulted by a student concerning sus-

picious work which she has observed, the instructor should advise the student to discuss the case with the Judiciary Chairman of Student Government. If an instructor is in doubt about the best procedure in a given case, he should consult the Dean or the President of the college.

3. Expulsion, suspension and, in the case of academic matters, parole shall be recorded in the student's permanent record.

VIII—Faculty Advisers

1. Every new student is assigned to a member of the faculty who is to act as her special adviser in regard both to curricular and extracurricular activities.

2. Second year students usually continue under the direction of their first year adviser, but, after consultation with the Dean, may select another adviser whenever desirable.

3. After a student has chosen her major field in the spring of the sophomore year, her work will be directed by her major professor.

XI—Miscellaneous

5. A student in any department found to be deficient in English may be referred to the Department of English for special work in composition.

6. Permission to use social rooms or Manson Hall for other than regularly scheduled purposes shall be secured from the Assistant Dean.

7. All applications for self-help by students are made through the Dean's office. Any member of the faculty who engages the services of a student shall report this fact to the Dean, whether or not such work be remunerative.

8. The date for the closing of the college for the Christmas and spring recesses is stated in the published calendar.

FLETCHER, THE LIBRARY AND ACADEMIC

THE MARY HELEN COCHRAN LIBRARY

No attempt is made here to give you a detailed introduction to the use of the library. However you should find the brief description of the book collection, the diagrams of the floor plans, and the summary of the regulations and privileges helpful during your first weeks.

One of the chief functions of the library staff is to help students find library material. You should never leave the library without locating the book or piece of information for which you came. The library assistant whom you will find at the desk will help you search if you are having difficulties.

The Library is open on Saturday evenings before each examination period. Hours during vacations and holidays will be posted. The Study Gallery may be used for study until 12:00 midnight.

Book Collection

The Mary Helen Cochran Library has in its collection over 74,000 volumes. The majority of these are shelved in the book stacks, but a certain number are shelved in other parts of the library. Become familiar with the arrangement of the collection by consulting the accompanying plan of the various rooms of the building.

THE BOOK STACKS. There are two floors of book stacks in the library, the upper and the lower stacks. In the upper stacks, all books with call numbers beginning with 800 (Literature) and 900 (History) are shelved. In the lower stacks are found the 000-700 books, and bound volumes of periodicals.

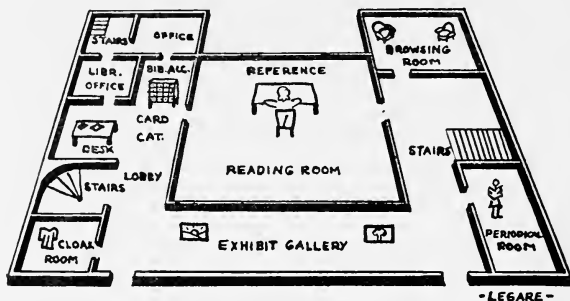

READING ROOM. This is the main room and on its bookshelves are the Reference Books most frequently needed (dictionaries, encyclopedias, biographical dictionaries, atlases, etc.). Reserve Books, that is, books designated by members of the faculty for required reading, are also shelved in the Reading Room. They may be taken out one-half hour before closing, and must be returned when the library opens next day.

BIBLIOGRAPHICAL ALCOVE. Here are found bibliographies on almost every subject as well as the Reader's Guide and other periodical indexes. The Book Review Digest, an index to book reviews, is also here.

MUSIC ROOM. This special collection contains over 1,800 books on music. Books with Carnegie Collection bookplates may not leave the library building. Other books may be borrowed for two weeks.

ART ROOM. This room contains over 2,200 books on the various aspects of art. During the day they must be read in the Art Room. Certain of these may be borrowed for overnight loan only. Reference books and books bearing bookplates marked Carnegie Collection may not be taken from the library building.

BROWSING ROOM This is an attractively furnished room which is reserved for recreational reading, not for studying. It contains over 1,200 volumes—old titles and new. These books must be read in the room itself and do not circulate. They are arranged by

broad subjects—fiction, poetry, essays, plays, travel, etc. Available for consultation in a loose leaf notebook is a list of these books according to the above classification.

PERIODICAL ROOM. The currently received periodicals number approximately 400. A list of these is posted on the bulletin board. The back issues of these periodicals are bound and shelved separately in the lower stacks on the east side (see accompanying plan). Periodicals may not be borrowed, but must be read in the Periodical Room, or if bound, in the stacks. Daily newspapers are also kept in this room.

UPPER HALL. Some music books are shelved here as are also books belonging to the Carry Nature Sanctuary (a collection of books about nature and wildlife) and the books belonging to the International Relations Club. Photography, riding, and dance books are also shelved here.

REGULATIONS AND PRIVILEGES

A copy of Library Regulations and Privileges will be given to each newcomer during Orientation week. A digest of some of these rules is listed below. Please read this carefully as well as the complete copy when later received. The Student Government has approved these rules and observance of them is part of the Honor System.

General Conduct

Quiet in the library must be maintained at all times.

The person who signs the book cards is responsible for the safe and prompt return of all books issued to her.

Stack books, new shelf books and music books may be borrowed for 14 days; reserve books, art books and some reference books for overnight loan only. Browsing Room books and most reference books, and periodicals do not circulate.

Fines are charged for the non-observance of the above rule. Failure to pay fines makes a student liable to have library privileges suspended. This means that a student may not use the library in any way whatsoever until the fine is paid.

Personal belongings, books, notes, etc., must not be kept in the library. The cloakroom is reserved for this purpose.

Ink must not be used at the catalogue, or when using reference books, or in the Browsing Room. Ink bottles must be kept in the cloakroom.

Books, and periodicals are college property. Care should be taken at all times to handle them with respect. Many of the works that you will be using are out-of-print and therefore difficult and expensive to replace. Never mark or underline a library book. Snow and rain are also injurious, be sure to protect library books in returning or taking them out during bad weather.

After reading the above you will have a fair understanding of the use of the library. Do not fail to ask the library assistants for any help you may need.

THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION OF SWEET BRIAR COLLEGE

The Sweet Briar Y. W. C. A. strives to overcome any indifference, ignorance and confusion of students in regard to the relevancy of the Christian faith in modern life. And we join in the national purpose "to unite in the desire to realize full and creative life through a growing knowledge of God, . . . to have a part in making this life possible for all people"; . . . and in this task "to understand Jesus and follow Him."

THE ASSOCIATION AT WORK**Membership**

All members of the student body are automatically members of the Y. W. C. A. All members of the Cabinet (Officers and class representatives) are chosen from the members of the Association.

ORIENTATION COMMITTEE

The Orientation Committee is an organization which works throughout the year to acquaint the new students with all phases of college life. By means of parties, picnics, and informal gatherings given at different times during the year new students will have the opportunity of meeting upperclassmen and of learning about the college. The Orientation Committee will be present dur-

ing the first week of school to welcome new students and to make each newcomer feel thoroughly at home.

Committee on Schools

The Committee on Schools shall be headed by the Senior Class Representative to the cabinet and shall consist of one member elected from each class. Each class representative will be elected by her class in the Spring preceding her year of office.

The work of this committee is of great importance. Entertainment and elementary instruction in handicrafts are provided during weekly visits to various colored and white schools in Amherst County. Some Y.W.C.A. funds are used to provide hot lunches where necessary and to increase the schools' limited supplies of pencils, paper, clothes and libraries.

Several parties are given throughout the year for the children at each school. The children from the Coolwell colored school in appreciation for the help given by Sweet Briar girls come to Sweet Briar and give a special entertainment once every year.

The distribution of schools among the four classes is subject to change each year and was as follows for 1949-50.

Coolwell Colored School	Freshmen
Coolwell Sunday School }	Sophomores
Sweet Briar Children }	
Indian Mission	Juniors
Watts School	Seniors

Commissions

Recently the Y. W. C. A. of Sweet Briar reorganized its program with the creation of four commissions for discussion and action. The innovation has been success-

ful, and the plan will continue this year. The four commissions are:

- 1) Commission on Christian Faith and Heritage;
- 2) Commission on Personal Growth;
- 3) Commission on Social Responsibility;
- 4) Commission on World Relatedness.

The purposes of the commission plan are threefold: To give every student at Sweet Briar an opportunity to participate in the work of the Y. W. C. A.; to join with the faculty and other students in discussion, debate, and action on matters which are of vital concern to us as responsible individuals; to cut across the entire Sweet Briar community by granting that opportunity for discussion outside academic hours.

Each student may volunteer to participate in the commission which most interests her.

Freshman Cabinet

In the fall of the year the Freshman Cabinet of the Y. W. C. A. is elected. This Cabinet, composed of four representatives, leads the Freshman Class in various Y. W. C. A. activities during the year: relief projects; parties for the community, such as the Hanging of the Green at Christmas time. The Coolwell colored School is also sponsored by the class under the leadership of the Freshman Cabinet.

Vesper Service

On the Sunday afternoon following our arrival, the Y. W. C. A. Cabinet holds a Vesper service in the West Dell. All members of Sweet Briar community are invited. A special invitation is extended to the members of the freshman class.

Regular Vesper Services are held each Sunday afternoon at 5:30, throughout the year.

Religious Discussions

Each spring or fall the Y. W. C. A. invites an outside speaker to hold a series of religious talks and discussions. This person usually spends several days on campus and, in addition to conducting frequent discussion groups, he is available for individual conferences. These interviews prove interesting and beneficial to those girls who avail themselves of the opportunity.

Christmas Stories

For several years the students have gathered together the Sunday afternoon before Christmas to hear stories of Christmas in other countries. Certain members of the community are asked to tell of Christmas in their own native land.

RELIGIOUS LIFE AND SERVICES

Sweet Briar is non-sectarian, but it endeavors to emphasize the importance of religion in human life and to cultivate spiritual living.

For the Sunday services in the Chapel, visiting preachers are invited from many states and various denominations. The eleven o'clock service on the first Sunday of each month is a communion service. The noon-day chapel services on Tuesday and Friday are conducted by faculty members, outside speakers, or students, while the daily evening services during Lent are entirely the charge of the students. Besides these regular services, there are occasional vespers in the Dell, Y. W. C. A. services, and early communion services, as well as an early mass arranged twice a month by the Roman Catholic students. Churches in nearby Amherst and Lynchburg all welcome students to participation in their services and their activities.

Students have opportunity for informal discussion at meals with visiting ministers and also frequently for scheduled discussion groups and individual conferences.

Working in close cooperation with the Y. W. C. A. in the religious activities of the campus community is the Church and Chapel Committee, composed of certain officers of student government and of the Y. W. C. A. who serve ex-officio, two elected representatives from each class, and a number of faculty members. This committee has general responsibility for the arrangement of college services and for the choice of the philanthropic work for which the church offerings shall be used.

THE ATHLETIC ASSOCIATION

Life at Sweet Briar is essentially an outdoor life. Because of this, students take advantage of the splendid opportunities offered for sports of almost every kind. Every student becomes a member of the Association on the payment of the Student Activities fee, and is then entitled to the use of all athletic property, such as tennis courts, hockey fields, boats, and canoes. All sports, whether organized or informal, are under the control of the Athletic Association and the Department of Hygiene and Physical Education. In order to recognize good work, awards are given by the point system, consisting of college seals, sweaters, and blazers.

Eligibility

1. All members of the Athletic Association, if physically qualified in the judgment of the physician, may join any sport, provided they agree to the rules of the sport.

2. A student may represent that class of which she is a member, on teams; membership is to be determined by her credits in the Recorder's office. Exceptions to this rule may be made by the Dean and the Director of Physical Education, in consultation.

3. Only members of the Association who have a credit ratio of 1 for the preceding years and who have maintained a ratio of 1.2 in the previous semester may be elected to a position on the Executive Committee of the Association.

Class Championship

The class winning the highest number of points in sports each year shall have its numerals placed on a permanent record to be hung in the gymnasium. The points are a cumulation of the results of all the class team games in each sport.

ATHLETIC POINT SYSTEM**Points Awarded to Individuals**

A student who has received 1,000 points and who, in the opinion of the Athletic Association Executive Committee, has shown interest beyond her required work, shall be awarded a small Sweet Briar Seal.

A student who has received 2,000 points and who has shown interest beyond her required work, shall be awarded a Sweet Briar sweater.

A blazer is the highest award of the Sweet Briar Athletic Association. It shall be awarded by unanimous vote of the Executive Committee, and not earlier than the spring of the Junior year, to students who fulfill the following requirements:

1. A student must have at least 3,000 points.
2. A student must show qualities of leadership which assist the Athletic Association and inspire other students in their participation.
3. A student must show unquestionable sportsmanship and loyalty at all times.

In very exceptional cases the Athletic Association may award a blazer to a student in May of her senior year, who—although she has not quite fulfilled the minimum number of points—has shown to a marked degree the other qualifications for the blazer.

If a student transferring from another college fulfills these requirements but lacks the number of points for a blazer, a record of her athletic activities for her college years previous to her entrance to Sweet Briar shall be obtained from that college, and points computed according to the point system of the Sweet Briar Athletic Association.

CABIN

The Head of Cabin with the Assistant Head of Cabin and a representative of the Department of Physical Education shall formally appoint, at the beginning of each semester, a group of students who shall be called

Cabin Leaders. It shall be their duty to make, interpret, and enforce the rules for hiking and for the use of the cabin, subject to the laws of the Student Government Association and the Athletic Association, to punish offenders, and to further the interests of hiking and the Cabin at Sweet Briar.

CABIN RULES

The Cabin may be used at any time in accordance with the terms of the Athletic Association. See the A. A. Bulletin Board for detailed rules. The Cabin Calendar will indicate an "open" or "closed" cabin.

Groups Who May Use the Cabin

The Cabin is open to all Sweet Briar students and members of the faculty and staff.

Students may go to and from the Cabin alone except after dark, when they must be accompanied by a member of the faculty or staff or a person approved by the Dean's Office or the Department of Physical Education. See Emergencies on the A. A. Board. See the regular Student Government rules for signing out. A night at the Cabin will not count as a night off campus. A campused person may not use the Cabin. All groups using the Cabin must have an approved Cabin Leader in the party. (This is to insure proper use of the Cabin itself.)

Overnight Groups

Overnight groups must be accompanied by a Cabin Leader and a member of the faculty or staff or an older person approved by the Dean's Office or the Physical Education Department.

Maximum number, 8; minimum, 4.

Girls With Dates

Girls with dates may use the Cabin in the daytime when Open House is announced on the College Calendar; and for picnic lunches and suppers when accompanied by a Cabin Leader and provided they return to campus before dark.

No one is to drive beyond the green gate.

No one is to smoke in the woods or in the bunk room.

HORSEBACK RIDING

No student may go riding until a written permission from parent or guardian is filed in the office of the Department of Physical Education. No student may ride alone off campus. No student may jump unless approved for jumping by the Riding Council and unless a qualified person is in charge.

There shall be a Riding Council presided over by the Head of Riding and consisting of the Riding Leaders, "A" Riders, and a representative of the Department of Physical Education. It shall be their duty to make, interpret, and enforce the rules for riding, subject to the laws of the Student Government Association and the Athletic Association, to punish offenders, and to further the interests of riding at Sweet Briar.

All students at Sweet Briar are to be divided into the following classes:

Jumping Leaders: Students who are formally appointed during the college year by the Riding council, and who may supervise students who have been approved for jumping, or jump themselves when accompanied by another person.

Riding Leaders: Students who are formally appointed during the college year by the Riding council, and who may take "B" or "C" riders on or off campus, or ride alone on campus.

THE BOATHOUSE
THE DAISY WILLIAMS GYMNASIUM

"A" Riders: Students who have been approved by the Riding Council, and who may ride alone on campus or who, with the permission of the instructor of Riding or the Head of Riding, may take "C" riders on or off campus.

"B" Riders: Students who have passed a definite riding test and who may ride in groups of two without a riding leader off campus, or alone on campus. "B" Class Riders may not act as riding leaders for "C" class riders.

"C" Riders: All girls who have not passed the riding test, and who may not ride without a riding leader.

SWIMMING, BOATING AND CANOEING

No student may swim until a written permission from her parent or guardian is filed in the office of the Department of Physical Education. No student may swim unless accompanied by the authorized proctor and at specified times.

There shall be a Lake Council, formally appointed each college year, presided over by the Head of Lake, and consisting of a representative of the Department of Physical Education and the life guards appointed by the Head of Lake. It shall be their duty to make, interpret, and enforce the rules for swimming and boating, subject to the laws of the Student Government Association and the Athletic Association; to punish offenders, and to further the interests of swimming at Sweet Briar.

No student may use the boats until she has passed the swimming test at Sweet Briar, unless she is accompanied by a member of the Lake Council or a Sweet Briar student who is a holder of the Red Cross Senior Life Saving Emblem or the Intercamp Life Saving Emblem.

No student may take out a canoe until she has passed the canoe test. No student may go on the Lake in a canoe unless she has passed the swimming test and is accompanied by one who has passed the canoe test.

All members of the Association and their guests may use the Boathouse in accordance with the Lake Regulations posted each year on the Athletic Association Bulletin Board.

NOTE: A college rule prevents dates from using the Lake for swimming.

DANCE

There shall be three Dance Groups namely: Choreography, Dance Group and Tanz Zirkel—typifying respectively three levels of ability and experience. Choreography, being the highest, offers in addition to dancing the opportunity for dance composition.

Tanz Zirkel is mainly for beginners who have shown interest as well as talent in dancing. Dance Group and Choreography are the upperclassmen dance groups.

Members in these dance groups and especially members of Choreography are responsible for promoting interest in dance at Sweet Briar.

Students will be advanced from optional classes into one of the dance groups by means of trials.

RELIEF COMMITTEE

Student Chairman, ANN PETESCH

The Relief Committee is composed of eleven members, the Editor of the *News*, the president of Chung Mung, the chairman and treasurer of the Student Funds Committee and three student members and three faculty members who are elected by the student-faculty co-chairmen. It serves as a clearing house for all appeals, and it instigates, sponsors and assists in carrying out projects having to do with relief. It also plans and allots the budget of our foreign students on scholarship.

During the past year the committee helped to get speakers and to stage the community Funds Drive, and it coordinated all the work of the other organizations which sponsored relief projects.

The Relief Committee welcomes all suggestions for plans to be carried out during the coming year.

PERSONNEL COMMITTEE

Chairman, NANCY KEEN BUTTERWORTH

The Committee on Personnel and Vocational Guidance is a small group of both faculty and students whose purpose is to tabulate student interests, make available and publicize information on these fields, and bring speakers to campus for discussion of job opportunities. The Committee stresses graduate work and helps students in securing summer or permanent jobs.

FIRE DEPARTMENT

Fire Chief, CONNY LEISY

Through understanding and cooperation the campus fire department assists in the avoidance of all possible accidents.

At the beginning of each year the Fire Chief appoints her wardens, two for each dormitory floor and one for each floor in both academic buildings. Fire drills are held during the night, at lunch, during meetings, during class hours, and at other times during the day. They may be announced or unannounced, fire drills or fire escape drills. These drills are designed to promote familiarity with exits and to insure proper training in case of an emergency. A faculty fire team also assists, and takes charge of the students once they have left the buildings.

Phi Beta Kappa

Sweet Briar was granted a charter to organize the Theta of Virginia chapter of Phi Beta Kappa in 1949. The chapter was installed and six members of the Class of 1950 and ten alumnae, chosen from among the graduates of the first thirty classes, were initiated into membership on March 3, 1950.

Tau Phi

President, JODY KUEHNLE

Tau Phi, Sweet Briar's upperclass honorary society, is composed of a limited number of juniors and seniors, who by their attitude and effort have manifested an especial interest in furthering the ideals and traditions of Sweet Briar. The purpose of Tau Phi is to stimulate an interest in and to cooperate with student and community activities. Tau Phi has taken as a special interest the fostering of the fullest possible cooperation between students and faculty. A series of student-faculty discussions on problems and subjects of common interest have encouraged exchange of ideas and opinions between the students and faculty.

Q. V.

Q. V. is an honorary society composed solely of Sophomores who are elected in the Fall by a secret ballot of the sophomore class. The members of Q. V. are known only to each other and to the members of the previous year until Spring Step Singing when they are announced to the whole school. The aim of the group is to perpetuate cohesiveness, spirit and initiative in their class.

Paint and Patches

President, MONNA SIMPSON

Paint and Patches, the Sweet Briar Dramatic Club, was organized for the purpose of creating and developing an active interest in all branches of drama, and to promote a deeper knowledge of the technique of dramatic art.

Eligibility for membership in Paint and Patches is determined by a system of grading which evaluates the work of all candidates. The many departments of the club—scenery, acting, make-up, costumes, properties, lights—provide opportunity for those interested in various branches of the theatre to become members.

Choir

Head, MARY PEASE

The Choir is a very active group at Sweet Briar. The members are about thirty-five in number and are selected from among the best voices in the college. The members of the Choir have an opportunity to become acquainted with a wide range of sacred music, notable examples of which are a cappella singing, Anglican chants, and Plain song. Election to the Choir is considered a distinct honor.

A great deal of the beauty of the Sweet Briar Church service is due to the well-trained Choir, which is vested and sings at every Sunday service. The Choir renders suitable musical programs at Christmas, Easter and on other special occasions.

Chapel Choir

Co-Heads, NANCY ORD, CAROL EXNICIOS

The Chapel Choir is a voluntary organization in which everyone is urged to participate at sometime during the year. The only requirement for membership is interest and willingness to give the time. The nucleus of the group is made up of girls who are training for Glee Club and the Sunday Choir. Everyone in the Glee Club is required to sing in the Chapel Choir at least five times each semester. The aim of the Chapel Choir is to enhance the spiritual atmosphere of the weekday Chapel services through the use of the best hymns and sacred music.

Glee Club

President, LYNNE McCULLOUGH

The Glee Club offers instruction in group singing and an acquaintance with choral music to all students whose talent and enthusiasm make them eligible for membership. Individual try-outs in the fall limit the number of members. Weekly meetings throughout the year prove of great value in both individual training and in appreciation of choral singing. The year's work is culminated by joint concerts with outside glee clubs.

International Relations Club

President, SUE OSTRANDER

The International Relations Club was founded under the auspices and with the assistance of the Carnegie Endowment of International Peace. The club is composed of students who, by passing a test given in the fall, show an interest in international relations. The purpose of the club is to further understanding of contemporary world problems, and to stimulate throughout the college an interest in international affairs.

Le Cercle Français

President PATTY LYNAS

Membership in Le Cercle Français is limited. New members are elected from a list of applications to fill vacancies.

The purpose of the programs presented at each meeting of Le Cercle Français is the increasing of interest in French culture, especially that of modern France along other than academic lines. French is spoken exclusively at all the meetings.

The English Club

President, NANCY BRUMBACK

All juniors and seniors who are majoring in English are eligible for membership in the English Club. The purpose of the club is to afford an opportunity to those who wish it, and have chosen this subject, for the study and enjoyment of English literature beyond the limitations of the classroom. At the club meetings, held every month, books of recent publication—novels, drama, poetry, biography, or history—are reviewed by outside lecturers or club members, followed by an open discussion.

The Classical Club

President, CARLA DE CRENY

The Classical Club is composed of active members, students taking courses in Greek or Latin, and associate members, students who have taken Greek or Latin courses at Sweet Briar. The purpose of the organization is to stimulate and further general interest in classical culture. One meeting is held each month at which a program pertaining to classical literature or general culture is given by outside lecturers or members of the club.

Der Deutsche Verein

President, JANE MOOREFIELD

The members of Der Deutsche Verein are students who have had at least one year of German or the equivalent, and who are chosen on the basis of interest. All interested members of the community are invited to participate in the open meetings which are held several times a year. The club gives students an opportunity to use German outside the classroom, and to become familiar with the songs, traditions, and political background of Germany.

El Club Español

President, TODDY BARTON

Aquí se habla español? Sí cómo no! Whether it is the Spanish table in the refectory, fiestas, bridge or our monthly meeting, we say *adios* to English. At least we make the great effort because one of the club's chief aims, besides stimulating interest in the culture of Spanish speaking countries, is increasing the use of conversational Spanish. The highlights of our activities this year were our getting together with the other language clubs for the gay international Christmas party, the presentation of a Spanish movie for the community, and a joint meeting and "coffee" with the Spanish Club of Randolph-Macon Woman's College.

Misiones

The Sweet Briar Misiones is one of the several groups by that name in Virginia. The members of these groups strive to further friendship and good feeling toward our Latin-American neighbors among the elementary and high school children of their districts. At various county schools the Misiones girls, all in costume, present colorful programs of Latin-American songs, dances, skits, and games, asking members of the audience to take part in the latter.

Misiones is sponsored by the Spanish Club. Membership is limited to those who show enthusiasm for the work and loyalty to the group. It is best that Misiones members have some knowledge of the Spanish language.

The Music Club

President, MARGOT LAROCHE

The Music Club has as its aim the stimulation of musical interest on the campus. During the year each student is expected to contribute to the program, which is for the purpose of developing poise and confidence in performance. The music faculty and outside guests are occasionally invited to perform or lecture on requested subjects.

The members of the Music Club are limited to 35 students. The basis of acceptance is the interest of the applicant.

Friends of Art

The Friends of Art of Sweet Briar College is a large organization open to students, faculty and staff, alumnae and friends of the college who wish to foster art at Sweet Briar. It has been instrumental in bringing exhibitions, lectures and art demonstrations to the college and has helped to establish the permanent art collection by making the first purchase from its funds and contributing to the purchase, from college funds, of a few other paintings.

The various types of membership range from the regular annual membership to life membership, of which there are three.

The Sociology Club

President, ANN MOUNTCASTLE

The Sociology Club is primarily for Sociology majors. However, those persons who have had at least three hours

in the department and who have shown exceptional interest are eligible for membership upon receiving an invitation. The Club sponsors outside speakers and allows an opportunity for student discussion of ideas. The Sociology Club belongs to the Student Sociological Association formed three years ago at Sweet Briar.

Political Economy Club

The Political Economy Club stimulates interest in political and economic problems, especially those of the United States. This organization provides an opportunity for those who are interested in such problems to exchange views and to receive and discuss the views of outside speakers and informed members of the Sweet Briar community.

United World Federalists

President, B. J. McELFRESH

The Sweet Briar Chapter of the United World Federalists is part of the national organization, United World Federalists, Inc. The purpose of the organization is to work for world peace by campaigning for "world government with limited powers adequate to prevent war." While endorsing the efforts of the United Nations to bring about a world community favorable to peace, the organization works primarily to strengthen the United Nations into a federal world government with authority to enact, interpret, and enforce world law. The chapter carries out its purpose by educating its members and the community in general on the need for world government. Any student or member of the faculty who wants to work for world peace by working for world government may join. Membership is unlimited.

The Board of Publications

Chairman, JANE CLARK

The Board of Publications acts as an advisory body to the four college publications in all matters of finance and of policy. It has control of the the joint reserve fund of these publications, it elects the editor and business manager of the STUDENTS' HANDBOOK and *The Key*, and it acts as a committee to nominate the officers of the *Sweet Briar News* and the *Brambler*.

Members of the Board include the editors and business managers of the four student publications for the current and the preceding year, the faculty advisors to these publications, and the president of the Student Government Association. Officers of the Board, the chairman and the secretary-treasurer, are elected from and by the student members.

The Briar Patch

Editor-in-chief, JOANNE HOLBROOK

Business Manager, FRANCES STREET

The *Briar Patch*, the Sweet Briar annual, is published every spring. A project of the junior class, it forms an interesting part of extracurricular activity during the junior year. Each year the staff tries to give in the pages of the *Briar Patch* a picture of school life during the year that will serve as a permanent record and reminder for the years when school days are over.

The Sweet Briar News

Editor-in-Chief, JEAN GRAHAM RANDOLPH

Business Manager, JANE CLARK

The *Sweet Briar News* is the weekly newspaper published by the students. It aims to give the students, faculty, and community reports of all the news which will be of interest to them. All students and especially freshmen, whether they have had experience on school newspapers or not, are urged to try out for positions on the staff.

Parents are invited to subscribe and keep up with campus events.

The Brambler

Editor-in-chief, JOAN HESS

Business Manager, ELLIE DAVIS

The *Brambler* is the college literary quarterly. Its conscious aim during the past year has been to integrate creative work in all departments. With contributions from the four classes and the faculty, it maintains a high degree of creative variety and vitality.

The Key**The Handbook**

Editor, JOANNE WILLIAMS

Business Manager, ANN KILPATRICK

Two handbooks are published at Sweet Briar. THE STUDENTS' HANDBOOK is published every fall, and a copy sent to each freshman to introduce her to the constitution and the activity side of Sweet Briar life. The upperclassmen receive theirs upon their return to college.

THE HANDBOOK contains an outline of the structure upon which life at Sweet Briar is built, forming an important source of reference throughout the year.

The Key to Sweet Briar College elaborates on the structure and presents a new side for the benefit of incoming students. This handbook also is sent to new students before their arrival at college.

Early in the year she becomes personally acquainted with each girl in her dormitory and endeavors to help old and new students to become acquainted with each other. The Resident Counselor holds office hours on Tuesday and Thursday evenings (see above) for the purpose of signing overnight absence permissions which do not involve permission from home (e.g., when a student is staying with her parents or close relatives or with the parents of another student.)

The Resident Counselor also assists the Fire Chiefs in the conduct of fire drills.

Class Organization: The first meeting of the Freshman Class is called by the Junior President, who is then President **pro tem** of the Freshmen until the election of their officers after six weeks.

Community Meetings: Community meetings for discussion of problems affecting the entire community may be held on request and should be scheduled through the Assistant Dean and the Vice-President of Student Government.

Responsibility for Property: Although the College endeavors to protect the property of its students in the same manner as its own, it will not be responsible for loss of any personal property of any student. Students are responsible for damage to College property not due to normal usage.

Lockboxes: Every student is expected to obtain, on the day of her arrival at Sweet Briar, a combination padlock for the lockbox provided in her closet. A deposit is required for this padlock which can be redeemed, if in good condition, before the student leaves college.

THE REFECTORIES

Meals in Rooms: Upon written order of the College Physician, students who are ill or indisposed, may have trays in their rooms. The charge for this service is 25c. Signed tray slips, together with the money, should be placed in boxes provided for this purpose in each dormitory, at least one-half hour before the meal bell rings.

Food may not be taken from the dining room at meal times.

Meal tickets: Visitors dining in the Refectories will pay the following rates:

Breakfast	\$0.65	Sunday dinner.....	\$1.25
Lunch	0.75	Picnics	0.65
Week day dinner	1.00		

Late Sunday Breakfast: In addition to the regular dining room service, on Sunday morning a light breakfast is served in Reid Dining Room from 9:00 until 10:00.

Picnics: The Refectories provide picnic lunches on Wednesday, Friday, Saturday and Sunday. Requests for these lunches must be made in the dining rooms by one o'clock of the preceding day.

Clubs and other Organizations must order refreshments forty-eight hours in advance.

THE BOXWOOD INN

The Boxwood Inn is the boon of our existence. Here we often have birthday suppers and Sunday morning breakfasts; when we're feeling generous or have just received our allowance from home, it's here that we entertain our roommates.

It is necessary to make reservations for **lunch** and **dinner**. Meals are served and cost:

Breakfast:	Weekdays:	8:00 a.m. to 9:30 a.m.	\$0.75
	Sunday:	8:30 a.m. to 10:00 a.m. ...	0.75
Lunch:	Weekdays:	12:00 noon to 1:00 p.m.	1.00
	Sunday:	12:30 p.m. to 1:30 p.m.	1.50
Dinner:		6:00 p.m. to 6:45 p.m.	1.25

A warm welcome is assured at the Inn Snack Bar which is open every weekday until 5:00 p.m. except from 11:00 a.m. to 12:00 noon and from 1:30 to 3:00 p.m. Friday and Saturday nights it is also open from 8:30 to 9:45 p.m. and on Sunday from 8:00 to 9:45. The Patio beside the Inn is always open to students, and when it's dreary outside, we relax in the Fireplace Room. It is the individual responsibility of each student to keep the Inn looking spic and span by putting her cups or boxes in the trash cans provided for that purpose.

For variety and an occasional supper away from the refectory you'll be trying the hamburgers from the Snack Bar at the Recreation Building. Open every night except Sunday from 6:30 to 9:30 p.m., this building is reserved for dates after 7:30 p.m. on the week ends.

If your visitor wants to stay on campus you can get rooms by reservation at the Inn.

SWEET BRIAR SONG

Sweet Briar, Sweet Briar, flower fair,
The rose that on your crest you wear
Shall never fade, but always bear

Thy beauty, O Sweet Briar!

Sweet Briar, Sweet Briar, thy columns white
Shine on thy hills a beacon light
Of truth, to burn with radiance bright

Forever, O Sweet Briar!

Sweet Briar, Sweet Briar, we sing to thee,
May thy foundations ever be
Strong as thy hills, thy purity

That of thy rose, Sweet Briar!

SWEET BRIAR HYMN

Sweet Briar, thou art a symbol of beauty,
Lasting and growing forever,
Shining and spreading thy radiant light on
our pathway.

Sweet Briar, living each day in thy beauty,
We'll think it gone when we leave thee,
But in the future we'll find it—

Within our hearts.
